

Opera ?

The aim of the *Opera?* research project is to question if and how the opera represent a genre of reference among contemporary sound and live art artists in their practice and reflection.

In 2018, 20 artists have contributed to this research project with a sound proposition and an interview.

The research continues in 2019 with the team experimenting what could be their opera according to these contributions.

The Contributors

André Décosterd
Andrea Parkins
Angelica Castello
Bernard Clarke
Caroline Saugier
Christian Garcia
Dragos Tara
Eduardo Mont de Palol
Gilles Furtwängler
Jacques Demierre
John Menoud
Juanjosé Rivas
Kevin Kyle
Louis Bonard
Matteo Riparbelli
Nicolas Spencer
Olivier Capparos
Yann Hunziker

The research team

Adina Secretan
Anne Gillot
Delphine Gillot
Michaël Grébil Liberg
Benoit Moreau
